DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION

Concord, New Hampshire

January 10, 1951.

Board of Selectmen
Swanzey, New Hampshire.

Gentlemen:

Submitted herewith is the report of an audit of the accounts of Esther N. Worcester, Tax Collector, which was made by this Division as of November 28, 1950. Exhibits as hereafter listed are included as part of the report.

As indicated by Exhibit A, the Collector's cash on hand and in bank on date of audit amounted to $55,129.34. The amount necessary to balance the Collector's accounts on this date was $54,624.99. The difference of $504.35 represented excess credits. Verification notices returned indicated that taxes in the amount of $361.60, which appeared as uncollected items on the Collector's records, had actually been paid prior to the date of audit. The net excess credits, therefore, amounted to $142.75. This figure is subject to change which may be occasioned by the return of any additional verification notices.

Yours very truly,
HAROLD G. FOWLER,
Director.
DIVISION OF MUNICIPAL ACCOUNTING
STATE TAX COMMISSION.

C. DAVID SULLIVAN, Auditor.
JOHN T. FLANDERS, Accountant.

SCHOOL WARRANT

To the inhabitants of the School District in the town of Swanzey qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the thirteenth day of March, 1951, at 8 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the ensuing year.

2. To choose a Clerk for the ensuing year.

3. To choose a member of the School Board for the ensuing three years.

4. To choose a Treasurer for the ensuing year.

5. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.

6. To choose Agents, Auditors, Committees in relation to any subject embraced in this warrant.

7. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state equalization fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.

8. To see if the district will vote to raise and appropriate, in addition to the original appropriation for 1950-1951, a sum

of two thousand dollars ($2,000) to be made available to the School District prior to July 1, 1951, in order to meet unanticipated obligations caused by keeping the Westport School open and by the additional expense of transporting grades seven and eight from the Hopkins School to the Cutler School.

9. To see if the district will authorize the School Board, acting with the special School Building Committee, to select and purchase a suitable site for a new central school, with acreage sufficient for playground space and future expansion, to serve those pupils now served by the Hopkins, Wilcox and East Swanzey schools, and to have preliminary plans prepared for the construction of an adequate new school building for the consideration of the voters at the next annual meeting, and appropriate the sum of six thousand dollars ($6,000) toward the purchase of land and facilities and preparation of plans, or take any action thereon.

10. To see if the district will raise and appropriate funds not exceeding the limit authorized by state law to establish a capital reserve fund to be held in custody by the trustees of trust funds of the Town of Swanzey for the financing of all or part of the cost of construction of a new school building to serve those pupils now served by the Hopkins, Wilcox and East Swanzey schools, and the acquisition of land, equipment, furnishings and facilities therefor, in accordance with Chapter 160 of the Laws of 1943 and any amendments relating thereto; and name the school board its lawful agent with respect to said capital reserve fund.

11. To hear the report of the School Building Committee and to see if the district will vote to retain the present committee and instruct it to continue the study of the problem of school housing for Swanzey, or take any action thereon.

12. To see if the district will authorize the school board to make application for and to receive, in the name of the district, such advances, grants-in-aid or other funds for educational purposes as may now or hereafter be forthcoming from the Federal Works Agency, or other U. S. Government or State Agencies.

13. To see what action the district will take on the following article: "Transportation of children to and from school shall be posted for bid. Notices for bids to be posted the first week in July. All bids to be opened to the public."

14. To see what action the district will take on the following article: "Janitor services for all schools (each individual) to be posted for bid. Bids to be opened to the public."

Given under our hands at said Swanzey, this seventh day of February, 1951.

HOWARD H. STONE,
THEODORE H. MOE,

REPORT OF CUTLER SCHOOL LUNCH PROGRAM

The year 1950 has been one of expansion for our lunch program. September found us with an approximate increase of 30 per cent in our school population and our lunch program had to be enlarged to accommodate the additional number. It was found necessary to employ a part time assistant to the cook and to purchase additional equipment to efficiently feed an average of 100 meals per day.

This year we began to replace our china dishes with the more practical plastic dishes and hope to eventually complete the replacement. We have found that the plastic dishes are in every respect as good as the china and have the additional advantage of being unbreakable. Although the initial cost is somewhat greater than china the cost of breakage more than makes up the difference.

In the past year we have served 11,634 Type A meals to children, 773 of which have been served free or at reduced cost to those, who through no fault of their own, are not able to pay the full price. The participation has been approximately 50 per cent of the total school enrollment. This percentage we feel is very good considering the central location of the school and the present economic situation.

Despite a sharp rise in prices due to the present national and international situation and the increased labor cost, we have been able to maintain our price of twenty cents per meal. This has been due in a large part to the increase in the volume of meals served.

Miss Ruth Cutter, State Lunch Supervisor, on her various visits to our lunchroom has commended us on a very satisfactory program.

We wish to thank all the members of our community for their help and most welcome support. This is your program, for your children and we will never reach a point where we no longer need your help. We cordially invite you to visit our lunchroom at any time and see our program in action.

The following is the financial report for the year, July 1, 1949 to June 30, 1950.

REPORT OF EAST SWANZEY SCHOOL LUNCH PROGRAM

In November, 1950 the lunch program was started in the East Swanzey School. With the cooperation of all community groups the type "A" lunches are now available to all pupils at minimum cost.

A full time cook is employed. She is assisted by volunteers. We wish to thank Mrs. Mary Whittemore for her services as cook during the first two months when she helped get the program under way as substitute for Mrs. Mildred Willard.

We are deeply indebted to the Community Club for the use of the dining room and kitchen facilities so generously provided for the children. Without that help the program would have been impossible in our school.

The Parent-Teacher Association has given small equipment for the kitchen any many of the dishes needed to start the program. They also advanced $80.00, as a loan, to help defray the heavier expenses of the first two months. Their continued interest and help is sincerely appreciated.

Miss Ruth M. Cutter, State Lunch Supervisor, has reported most favorably on the program. She especially commended the fine community spirit shown by the groups who are sponsoring lunches for those pupils who might not otherwise be able to participate in the program. Those groups are the Woman's Club, Firemen, Neighborhood Club, and the Parent-Teachers Association. Her recommendations in regard to additional needed equipment are being followed as finances permit.

We wish to thank other people of our community for their donations of food and volunteer labor. The help and interest in the program has been of great value to us.

MRS. ALICE E. READ,
Principal of East Swanzey School.

Feb. 5, 1951.

REPORT OF WILCOX SCHOOL LUNCH PROGRAM

The School Lunch Program sponsored by the Wilcox P.T.A. has experienced another successful year. The benefits to the children derived from hot lunches remain unquestioned.

Beginning October 1949 and continuing through April 1950 a Type A lunch was served at a cost of twenty cents a meal.

Mrs. Talbot continues with us as our very efficient cook and manager of the dining-room. This year the P.T.A. has contributed an electric mixer with the shredder and grater attachments, an electric clock and several cooking utensils.

The heating problem in the dining-room has been solved through the generosity of Mr. Robert Goodale who has loaned

us his heater, for which we are very grateful. We extend our appreciation to the school board for installing the heater, repairing the electric range and for lights and fuel.

At present we are serving hot lunches to all children in the school except the pupils who go home to their dinners. You are invited to visit our school at any time and see our program in operation.

We wish to thank all those parents and citizens who have so generously donated labor, vegetables, canned goods and other foods and to all who, in any way, have helped to make our Lunch Program a success. We are sincerely grateful.

REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Swanzey:

I have the honor to submit my fourth annual report.

Teachers: Upon the resignation of Mrs. Marie A. Capron, Mr. Carroll K. Dunham, a graduate of the University of New Hampshire, was elected as Principal of the Cutler School. Mrs. Capron accepted a position at Keene Teachers College. Mrs. Margaret Freeman, who taught for many years at the Westport School, is now teaching at Cutler School. Mrs. Florence G. Stone was elected to the Westport School position.

Buildings and Grounds: At the last annual meeting of the Swanzey School District, it was voted to add two classrooms to the Cutler School. After the necessary plans and specifications had been prepared by architect John Holbrook of Keene, contractors' bids were submitted to the School Building Committee. Upon opening these bids, it was found that Mr. T. H. Bergeron of Keene was the successful bidder.

Work on the new addition was started during the April vacation. Although not completely finished, the two rooms were ready for occupancy when school reopened in September. One of the rooms is painted a soft shade of green while the other is painted light blue with contrasting pink. They have asphalt tile floors of a light gray color. Natural lighting is obtained by the use of glass blocks. This is a decided improvement over the clear glass windows in the older rooms where shades must be drawn to cut off the direct rays of the sun. When the shades are drawn, it is necessary to use artificial light. In the new rooms artificial lighting is never used except on extremely dark days. Better lighting means less strain on children's eyes.

An electric floor polisher has been purchased to aid in the maintenance of the asphalt tile floors. By using a good quality wax, it should be possible to keep the floors in perfect condition for a long time to come.

In the other Swanzey schools, the usual summer repairs were made and the customary cleaning was done.

Future Building Plans: In last year's report, it was stated that the school building committee recognized the need of additional space at the Cutler School and also the desirability of erecting a new elementary school to replace the two-room buildings in North Swanzey, Swanzey Center and East Swanzey. Realizing that the Cutler School addition was the more urgent of the two projects, the building committee recommended that this be taken care of first. Now that this has been accomplished, the committee is giving serious thought to the other aim, namely, a new school in the other part of town. An article has been inserted in this year's warrant, as was also the case last year, whereby a sum of money can be raised and placed in a capital reserve fund to be used toward the erection of a new building.

Hot Lunch Programs: The East Swanzey P.T.A. is to be congratulated upon its successful sponsoring of a hot lunch program for the East Swanzey School. Mrs. Read reports that approximately 65 children are now participating in the program. This is almost one hundred per cent participation of the entire enrollment of the school, a remarkable achievement for so new an undertaking.

The two programs at the Wilcox School and the Cutler School continue to function admirably. This is due in no small part to the excellent support of the Wilcox P.T.A. and to the genuine interest of Miss Winifred Sargent, Mrs. Jennie Talbot, and Mr. Carroll K. Dunham.

Miscellaneous: An Art Workshop for the elementary teachers in Union No. 25 will be held in the Hinsdale Elementary School on January 29, 30 and 31. It is expected that teachers from Marlboro and Troy will also attend the workshop. It will be conducted by Miss Wilma Geer, Art Consultant for

Binney and Smith Company. Miss Alice D. Baumgarner, State Director of Art Education, will be present from the State Department of Education.

A Monadnock Regional School Lunch meeting was held in the Hinsdale Elementary School last spring. School lunch workers, teachers, and school board members were present from the towns in the Monadnock region. A similar meeting was held in the fall in the new high school building in Walpole.

The school department has purchased a Massachusetts Vision Testing Machine for the use of Miss Napsey. By means of this machine, Miss Napsey is able to detect eye defects much more readily than by the use of the old Snellen card.

One of the most worthwhile projects ever undertaken in Supervisory Union No. 25, comprising the towns of Hinsdale, Richmond, Swanzey, and Winchester, was completed this past spring. I refer to the topical fluoride treatment of the teeth of pupils in grades one through six. This treatment was given to 203 pupils in Hinsdale, 20 in Richmond, 232 in Swanzey and 255 in Winchester, a total of 710 pupils.

The treatments were all given at the Community Center Building in Winchester. When it is recalled that each child had four separate sittings on different days, the magnitude of the task becomes apparent. Transportation alone was a considerable problem.

The cost of the project was borne by the federal government. If $12.00 is considered a normal fee for the topical fluoride treatment, the total value of 710 treatments is $8,520.00.

State Aid: It is to be hoped that the present session of the legislature will see fit to increase the amount of state aid to education. The legislature at its last meeting asked the State Board of Education to develop a formula derived only on the basis of need to the end that needy districts shall be aided so that educational facilities for all children of New Hampshire shall be on a more equitable basis. Such a formula has been worked out by the State Board of Education. Under this proposal, Swanzey would receive $30,186.44. This state aid

would tend to shift the tax burden from real estate to other forms of revenue.

In conclusion, I wish to express my appreciation to the teachers, pupils and parents, to the School Board and to the patrons of our schools for their cooperation.

Respectfully submitted,
CHESTER C. LEES,
Superintendent of Schools.
